\* Available in - .WG, .LO, .R, .BL

Industry's 1st and only BBA approved recycled roofline from Homeline.

#### Virgin PVC-U Skin

To guarantee a match, we use the same process as our non-recycled fascias. This means once installed - it's impossible to tell the difference!

#### 100% Recycled Core

We use recycled PVC-U windows, rooflines and doors that are re-extruded into our inner core, which meet and exceed the most stringent recycling and sustainability criteria.
